PLEASE KEEP IN PRAYER

- Rich Buiet - continue to pray for a good recovery following his prostate surgery.
- Continue to keep Dan Zylstra’s mom, Sandy Zylstra, in prayer, as she continues to deal with the effects of her chemo treatments. Pray also for Dan and Lisa as Lisa frequently heads up to Lansing, IL, to help out as she can.
- Please be praying for Wayne and Caroline VanVuren’s grandson who has been deployed in Afghanistan.
- Pray for much wisdom and grace and decisiveness for federal and local leadership and law enforcement with all the protests, demonstrations, and looting that has taken place. Pray for healing for this country, especially when there are so many different narratives out there regarding race, racism, and so many perspectives that are fed by our own experiences. Pray for justice where people have truly done wrong, and pray for justice where people have truly been wronged. Pray for peace in our society that always seems ready for a fight. Pray: Lord: Your Kingdom come!

In light of worshipping together with the social distancing restrictions still in place, we want to remind you all of what we communicated via email and facebook:

- We will begin by holding worship services for the morning only. We will evaluate how coming together is going for us in terms of the response of our members’ health and propose a time for starting up the second service again.
- There will be no greeters at church. The doors will be propped open so that worshippers can walk right into the church building and sanctuary without touching any door handles.
- Ushers will be present to help seat. Every other pew has been “cordoned off” by the placement of hymnals and Bibles on the seats.
- We ask and encourage that people adhere to CDC guidelines in terms of washing their hands, not touching their faces, and maintaining social distancing while we are together.
- We encourage that if you are sick, or have a temperature, or believe you are an “at risk” person according to CDC guidelines, that you stay home.
- We will not enforce the wearing of masks, but we ask that you please consider wearing one if you feel it will help you.
- There will not be an official nursery, with people there to watch children. Yet the nursery room will remain open in case a diaper needs to be changed, or to serve as a cry room if needed.
- Bathrooms will be available. Again, please follow CDC guidelines about good hygiene.
- No offering plate will be passed around during the worship service, but offering boxes will be available by the sanctuary doors in which you may place your gifts. Again, online giving continues to remain an option.
- Following the worship service, there will be no coffee or snack time. You are encouraged to NOT linger in the narthex. If you want to socialize, we ask that you do so outside, again remembering to maintain proper social distancing guidelines.

The offering next week will be for Brett & Sue VanderMolen serving in Cambodia. In last week's bulletin, "Open Their Eyes" was listed for June 14. It is a new gospel based ministry in India, governed by Darryl and Joel Dunham (Andrew's Dad and brother), who were previously involved with Margham. More information will be passed on to you prior to an upcoming offering in July.

The May Financial report is in your mailboxes. Thank you to everyone for your continued support of Bethel Church and the ministries we support! Online giving continues to be available through our church website, and through Tithely. The link to the giving site is: <https://www.bethelcrcdemotte.org/giving/>. You can also give by downloading the app on your phone and creating an account. We have updated the list of giving causes on the website. We are grateful for your continuing faithfulness in worshiping the Lord through your gifts and offering!
