ANNOUNCEMENTS

SUNDAY SCHOOL PARENTS- (Pre-school (4)-7th Grade) PLEASE SIGN UP if you plan on sending your child/children to Sunday school this September. Please sign up asap on the round table or email church at bethelcrc@netnitco.net with your child/children's name(s) and ages.

At a recent education team meeting, it was decided to begin Sunday School on September 13. We wrestled with this decision due to the uncertainty of how things would pan out with the pandemic and COVID-19 infections. So many unknowns! As in school, masks will be required in Sunday School class rooms, for both teachers and students. We will continue to monitor what happens in our school systems. The safety of our covenant children is of great importance to us. Should there be a rise in infections in school that would cause any changes in local schools staying open, we will not hesitate to pause Sunday School either until things get back on track. But we felt we should have a date to start and go from there. Stay tuned for further announcements. Thank you

YPS kick off September 13. Parents & HS students are invited to the **YPS KICK OFF** lunch on September 13 at noon held at First CRC at the pavilion. Please RSVP to Kim DeVries txt 219-869-2339 or email kmdvrs12@gmail.com so we can have an accurate number of people (siblings of the high school students are invited). Parents, please make sure to bring: cell phone, insurance information for your student and \$30 YPS fee.

OPPORTUNITY TO SERVE: We are in need of a Sunday School Superintendent for the upcoming Sunday school year. We are presently looking for someone to serve for one year as an interim superintendent. If that is something you feel the Lord may be calling you to do to bless our children, please see Laura Walstra or Pastor Rick. Laura will continue to prep/help with the start of the Sunday School year and has a binder she is putting together to help continue to lead this ministry.

In light of worshipping together with the social distancing restrictions still in place, we want to share some of the guidelines we are continuing to follow:

- There will be no greeters at church. The doors will be propped open so that worshippers can walk right into the church building and sanctuary without touching any door handles.
- Ushers will be present to help seat. Every other pew has been “cordoned off” by the placement of hymnals and Bibles on the seats.
- We ask and encourage that people adhere to CDC guidelines in terms of washing their hands, not touching their faces, and maintaining social distancing while we are together.
- We encourage if you are sick, have a temperature, or believe you are an “at risk” person according to CDC guidelines, that you stay home and take advantage of the on-line service opportunity.
- In light of the July 22 Mask Mandate issued by Governor Holcomb, we strongly encourage the use of face coverings as you enter the building, however you will not be turned away should you find it difficult to do so. Our number one concern is the health of our church family as we gather in worship, loving our God as well as our neighbor.
- There will not be an official nursery, with people there to watch children. Yet the nursery room will remain open in case a diaper needs to be changed, or to serve as a cry room if needed.
- Bathrooms are available. Again, please follow CDC guidelines about good hygiene.
- No offering plate will be passed during the worship service, but offering boxes will be available by the sanctuary doors in which you may place your gifts. Again, online giving continues to remain an option.
- Following the worship service, there will be no coffee or snack time. You are encouraged to NOT linger in the narthex. If you want to socialize, we ask that you do so outside, again remembering to maintain proper social distancing guidelines.
